Gary had a doctors appointment today so I spoke to him about all the area's I should taking pictures of and he didn't mention the outdoor shower. Igala wasn't in today he had car trouble and lost control and crashed in a ditch so he never made it in today so I had Peter drive me around and show me what was done. I believe they have a lot scheduled for tomorrow. Let me know when u want to go over the list

did they not do my outdoor shower. it seems that the only thing done today was bananas is that true,,
I want to go through the spreadsheet with you.
