Hi Jeff,

I am a little concern about your quick negative response for any additional payment to Mike. He has been working his tail off on this thing, and a number of his computers/servers are down, etc., and he needs some cash to repair. These things host some of your material... Going back to him tomorrow and telling him you said a quick "no" may not achieve the best results from someone I have been getting a tremendous amount of work out of, who responds immediately, and need on our good side. It has been an extraordinary effort. Just a thought between us. Thanks for your understanding in this....

Yours,
me
