well - what could possibly be of interest for you ;)  
the macro perspective is falling apart  
i am stuck sorting out practical things to get my micro world in place -

other worlds

sweden is small, the FMA is small, i am beating my head every day - trying to find my way around the concrete walls.

but on the positive side - still have my horse - a new one thoug -and I love the weather in Sweden, dark, cold and lots of snow -

you know to be really really happy - you need be freinds with the monster

and you life - - did you frame your *real* life yet?
