To compensate one time installation fee for T1 \$760 we will receive free service (credit of \$433) for the first month on land lines bill.

Thank you,

Bella

FYI

attached are new agreements for Data and Telecom for Zorro. Can you please review and would highly recommend that you forward on our new IT guy for his review.

please note this to match existing bandwidth, if there is to be a change to greater bandwidth now would be the time to negotiate

Any questions or concerns please contact me
