Jeffrey,
Should I try to load Gulfstream with Nick's equipment?
Or at least the 65" tv?
It will be a lot of stuff,.not sure it will all fit,.
Thx
Larry

From Nick:
Larry hear is what I know

Half of the E/V stuff (Speakers and amps for Gym-Tiki-Pool) I can get to NY for your trip on 19th about 16-17 somewhat large boxes E/V will drop ship
The Integra Preamps 2 packages thjey are already on the way to me as they will not drop ship
All Apple stuff I will purchase locally and ship out myself
Master bedroom 65" LCD is ready to ship and will drop ship
And all wire 8 large heavy boxes of wire about 12x12x18 each about 30lbs each can drop ship anytime we are ready

The rest of E/V stuff should be ready week after christmas
The Projector as of now is scheduled for week of the 27th completion for shipping from them
