Title: St. Barts

Was going to call you in the morning...and will.

Monday left FREEZING New York at 7:00am to St. Maartens to St. Barts where it is HOT HOT HOT. Hotel perfect. My room (and terrace) face the beach and bay. I am getting a telescope or binoculars tomorrow. Can see everyone. Perfect position for me. May hang a large flag from my porch when in residence.

Walked down the beach at 5:00pm to Samantha and Aby Rosen's gorgeous house where Larry Gogosian and Steve Cohen were relaxing on lounges with Aby. Sam and kids gave me a tour of the house and I came back for dinner....already gave dvds to Larry and Aby to watch. I have tennis lessons and massages booked. Harvey's coming shortly....and he will chain me to the beach and make me call 6,000 acd members and beg them to vote for "The King's Speech".

More info to come...

So far. So good.

Et vous? Where are you? xoxo Peg
