Good morning Catalina, Pat and Denise.

Jeffrey Epstein would like to come and swim today at 2:00 if at all possible. Could we get the paper work faxed to me this morning to [REDACTED] so I may fill out and get back with you. He would greatly appreciate it.

Thank you, Lesley

Good afternoon Lesley

Following today's correspondence between Messrs Farkas and Tauscher, I am pleased to let you know that it has been approved for Mr. Jeffrey Epstein the use of our pool. Kindly note the following steps to finalize the necessary paper work:

- Mr. Jeffrey Epstein is the only person approved for the use of the pool, at this time
- The pool can be used Monday to Friday, within the operation hours
- Our Director of Security, Pat Ammiano, copied on this correspondence, will be kind enough to coordinate the necessary paperwork: picture, ID, etc
- Our Spa Director, Denise Vitiello, also copied on this email, will ensure that our colleagues in the Spa area are familiar with Mr. Epstein's name and will grant him access to the pool

Please let me know if I may be of any further assistance.

With kind regards,

Catalina

Dear Lesley,

Thank you kindly for your email and voicemail today. At this time I have not personally spoken with Mr Farkas.

We currently do not provide membership to our facilities and the use of the facilities are reserved for guests and residences of the building. This is due to the limited space of our facilities and any request outside our guests and residences will be accommodated from our Executive Office. I have copied Catalina, our Executive Office Manager, to assist with your request further.

Please allow us till Monday to respond to your request as Catalina is away from the office today.

Have a pleasant weekend and we look forward to speaking further.

Sincerely,

Alton

Hello Mr. Chung. We spoke previously regarding a membership to your swim facility at the Mandarin...by now, I think you have spoken with Andrew Farkas on this? Could you please let me know what steps need to be taken so we can secure at least an interim membership for Jeffrey (while a more permanent solution is crafted!)

You may respond to my email or give me a call at ██████████.

Thank you so much in advance,

Lesley
