Hi JEE...

Today was my last day at Harvard (I assume... they've told me that I can come back, if I want... we'll see, but I think that's unlikely). I'm in NYC from tomorrow to the 27th (staying at your apt! Thanks again..). If you will be around and would like company, just let me know.

Changing topics, the house in Woodside fell through. We went out there last week to do the inspections, and discovered major structural problems. It wouldn't have been a house: it would have been a hobby. A very expensive and ungratifying hobby. So, back to square one on that front.

I hope you are doing well!
