Good morning, Jeffrey.

The arrangement with the ballet school is going really really incredibly well. I'm in love with working with them. I found an apartment much closer to their studio to make it more convenient for them and so more students will take advantage of it. Before I start making drastic changes for them, I wanted to see if this is something we will be able to continue on an on going basis?

They seem so grateful and appreciative of it, as am I. Right now we are in the most inconvenient areas to each other and if its something we can continue with, it makes most sense that I move closer to them. Is it possible to let me know if we can keep going w this?

I'm excited to see you Thursday morning.

Best,
