Oops...just pressed send by accident due to bouncy bus...

Anyway, would like to check in w you about that too.

How about I finish the email to you w outline of my thoughts by 2moro night and then we can talk and plan...

I imagine much of your life feels like a new years celebration, but if perchance the advent of a new trip around the sun gives you occasion for pause (or play), I hope it was fruitful (or fun).

Will email 2moro eve...and then we can arrange further plans from there.

Hi. I'll be back in new york in about an hour (was away since wed). Started to write you long email about ideas but thought it would be easier to talk w you so was sorry to have missed you. I can continue to write it out or we can discuss first.

Also would like to get the recording of dr. axel interview so I can start to work on that for you. Again though it would be great to bounce a few ideas off
