where is the underwater ipod thing,, did you not pick up?? we need to have a talk.. I am very disappointed. You had the opportunity to show Steve and peopple at work that you are serious. you chose to waste your time with george and a crzy trip. , You spent no time cooking or tasting things on the island,, you only ate brices food, didn't even watch him prepare things, and when it came time for you to prepare something for either jean luc or me, it came as a cheap cafeteria at best. no thought, no presentation, no taste, You spend many hours readding recipes that never get made or tried, I owe you a great deal, I will always be there for you , I can't force you to take your life seriously, I sent you to the best school. for cooking we could find, orgainized you to have the fast track at a great job, you choose to drive with a young drunk to canada , in contrast to hours and hours and hours of discussion,
