I guess both..so I wish u Merry Xmass as well...and my xmass were ok.I got amazing gifts from Ben and everything w him is fantastic! But here in Slovakia I'm just really anxious cuz of my parents..its not good at all. I had an open conversation w my dad,he pretty much admitted that he is cheating.the problem is my mom is in menopause and she takes only homeopatics..so she doesn't feel like having sex w my dad and of course he goes somewhere else.also he told me its really hard for her to reach orgasm.even if she is helping herself..so I'm sure that's the big part of the reason why I'm having problems...genes...I have no idea how I should wake my mom up and make her start taking hormones..
