Good morning Sarah,

Let us wish you all the best for this new year.

We hope the final proposition will be appreciate by mister Epstein and we are waiting from his comments on it.

Best regards.

Dear Jeffrey,

Please find herewith the sketches which could be your next desks.  
The idea was to create a "Epstein" handle which will supply your offices.

It will be important for both of us to meet before the manufacturing to be sure about all the details of the traps and the home automations.

Let me already wish you a merry Christmas and a happy new year.

Best Regards.

Patrick Gaguech
