Hi Jennie,

The question to ask is, "do we want life insurance for the rest of our lives, or just for a certain duration?" Term insurance, which is what you currently have, doesn't last forever. The insurance we are talking about now, does. I showed you and Dangene this plan when you acquired the life insurance and you both thought it would serve your long term life insurance needs but the timing was wrong.

Let me know one way or the other once you decide.

Alan
