Title: Inside Job dvd

Did you finish watching dvd? Richard Cohen from the Washington Post wants to see it. If not, will get another.

Just had dinner at Barbara Walter's...for Woody Allen! Soon-Yi, Piers Morgan, Mayor Bloomberg, Diana Taylor, Allen Grubman, Harry Evans, Nora Ephron, Georgette Mosbacher, Richard Cohen....Babs made us go around the table and tell if we were good students!!! Woody was a terrible student and was thrown out of freshman year at NYU...and years later refused an honorary degree.

Saw mother today. Feel so bad for her...not sure if she knows how sick she is. xoxo Peg
