Jeffrey,
I spoke to Nick in detail tonight, he is embarrassed, and is dedicated to make it all correct..what ever it takes,
he was hesitant to inform you that Brice told him to put the gym equipment in the closet, I told Nick he knows better than to accept direction from Brice regarding equipment location, and to always confirm with you.,
all that aside, I would like to come to LSJ tomorrow if we do not fly to St. Croix,
- Nick would like to set the EQ in the main Theatre room, it will take some trial and error, we would like to try doing some test settings for your listening, if you are available tomorrow for this.
-we would like to walk to pool area, and get your input on speaker locations for that system
-demo the Tiki system tomorrow.,
-make Gym EQ adjustmentes also,
thank you,
Larry
