Jeffrey,
Do you think is appropriate to schedule Nick to arrive at LSJ Thursday to complete Master bedroom system only?
If you agree to install the sunfire system that I brought from palm beach house?,
. At this time the TV in master bedroom is installed and Brice said he is ready for equipment to be installed for your arrival. Nick still needs to box the EV speakers located at tiki,. The pool system EV speakers and amps are located at my office at palm beach airport that we brought back from lsj on plane.

Ps: I think [REDACTED] is enjoying the Boeing ground school, its just the two of us in class,
Thx,
