Just listening sarkozy plenary. The main focus is on the currency ;)
How current currency system is problematic and how to reduce voiolatily of currencies.

Great mind thinks alike ;)

Now I am playing a role of Davos assisting office ;) Well there are more than plenty of work for both of us.

However, next you should be working also ON SITE. There are many interesting people to meet and MANY parties to attend!!!

And you abandoned me this year.

Consu is right now with Sarkozy at G20 mtg. They fly together tomorrow morning to Davos staying through Friday morning when two of them continue traveling to AU meeting in Etiophia.

She will be back in Paris on Monday!

Thus Saturday is not an option.

I will see her tomorrow.

Will give her a big hug in your name ;)

Some complications – need to cancel it.

Bill is right now in UAE with a crown prince (a brother of your friend). They are signing a deal – it will

get announced tomorrow.

There are some complexity that I will tell you about.

In addition to possible not good fit for a dinner (these 4 people know each other and although different have a clot in common). They are part of YGLs and significant discussion will be around that.

There are few other things.

Thus, I will right now send an apologetic email informing them that Bill is arriving to Davos later then what we expect so that unfortunately we need to postpone it.

This was no one looks bad.

What do you think?
