Dear Trent,

I just got off the cell. A PBSO dectective called me on my cell to ask about Mike Hardman. She has a dozen victims who have talked to her about being swindled by Mike and she wants to talk to me as a victim. I spoke with her briefly about my involvement with Mike. She wants me to come in and talk to her officially and bring my records to show how Mike has cheated me and possibly stole money from Hardman Development. She advised me to talk with you first about what I can and can't say and to tell you that you were welcome to come with me. She wants to subpoena the PNC bank records because she wants to have all finanacial records associated with Hardman. Please call me so we can discuss.

Steve
