You will need to write a letter in response to Arun's email, stating he told you he was working with the law firm, and though you sent your money as requested you haven't received the law firm's retainer agreement which you would like asap. In addition if he could forward you the materials he showed your financial advisor, namely the EB5 application docs, the Immigration Fund operating agreement, the Citibank escrow agreement, and the info on the NY fund, you would appreciate it. _____ I delayed my departure so that I could meet with my friend at 12. Do you need to see me for any reason. I did tell you I would see you, but I think events have made that non-useful --your call
