Hi there is a problem with your seat for the TED dinner.

Just heard that the list was finalized and closed on Monday. The invites went out and were confirmed. I can't take you [REDACTED] at TED's dinners. That I knew earlier it would be much easier – I got both Jee and Ghisleine on the list (but even that was not that easy) but that was two weeks ago. Right now – everything must go through Bill.

You can send him a note that you are not going to TED (you do not have ticket and it is impossible to get it now) but that you will be in LA area (do not make it sound that you are going there only for a dinner!) anyway and that you are wondering whether would be OK to join to dinner.

So sorry for this!
You must give me more time in future

B
