David,

With regards to Deutsche Bahn, I have asked my Beijing colleagues to stand down. They have stated that they have not spoken to anyone at CIC with regards this topic.

Is this a practical case of where we could see if your approach makes sense?

If so, what is a concrete next step? I could send you a few pages which sets forth the basic concept as well as some parameters.

Let me know what you think.

Regards,

Larry

David,

It was a very interesting session - thanks for your time.

As a practical next step, let us keep talking about Deutsche Bahn.

Regards,

Larry
