In response to a question of why I was not labeled a predator, I moronically said that as there was sex for money, and no violence I am an Offender as distinct from a predator. They asked if there were different levels of designation and I said just like in other instances. They range from stealing a bagel to murder.. that's it. Andrew is being hounded in London because some girl that I brought ten years ago, had her photo taken with him,, IT's Crazy,, however I have no strategy for moving forward..
