In response to a question of why i was not labled a predator. , i moronically said that as there was sex for money , and no violence i am an Offender as distinct from a predator. They asked if there were different levels of designation and I said just like in other instances. they range from stealing a bagel to murder.. that s it. Andrew is being hounded in london. becuae some girl that I brought ten years ago , had her photo taken with him,, ITs Crazy,, however I have no strategy for moving forward..
