Hi Peggy,

I have been asked to write something about Jeffrey Epstein for The Daily Beast, in light of his quotes today to the NY Post that he's a sex a offender not a predator, which is, as he put it, "the difference between being a murderer and stealing a bagel."

I see from reports that you have been friends with him for a long time and apparently have been helping him re-enter NY society, as with the dinner you helped organize for Prince Andrew.

I would be grateful for your perspective on Epstein and his role in New York etc.

All the best,

Many thanks,
lloyd
