Title: Re:palm beach

I just woke up. I can not open the attachment on my blackberry, I have to wait till house staff are up and go into their office and have Julia's assistant print it for me.

I will email [REDACTED] now and tell her I want to talk to her this morning....I can tell her about your character if you want...

Do you want me to call you now or after I read papers.  
Yesterday I just finished first draft 4,000 of Oscar Diary...have notes from a few brilliant friends to make it better...will work on it this weekend. They are laying it out Monday.

Last night I got off the friggen Jet Blue which was 2 hours late (Koch's plane was full) at 12:30am....smelled the humid Florida air and thought of my mother. It was the first time I felt anything about her death. I am going to her apartment on the Gaza strip today. Not looking forward. Idiot brother now thinking of keeping apartment...he will have to buy it from me...although maybe not selling now when market is soft is not a bad idea...what if he pays maintence and taxes...do I still charge him rent...I can not invest that money if he is sitting in the apt and it's not sold???
