Hi Gary,

We are meeting with Jeffrey on Thursday to discuss this and the flagpole pool area. We will take a look at this new concept – no pool at the main residence. However, we need to talk about how we are going to move this forward. This scope of work started in November of last year. Since then we have done over 30 variations of this area! It seems like each time we get close, Jeffrey changes the program. We are happy to continue on like this, but we really need to figure out how to move it to the next level. Also, by the time we meet with Jeffrey this week, we will have spent almost all of the fee for this work authorization.

Thanks,

Warwick
