Jeffrey has been there , every moment , since before your mom passed. never ever faltered . always one of the first on the scene to offer help and assistance after woundings. I believe you were duped by civil attorneys from florida, who are trying to get money, Their partner Scott Rothstein is in jail for 50 years for crafting the same phony lurid stories to fleece unsuspecting victims out of millions of dollars. [REDACTED] falsely tells people he is FBI when he is only on the payroll of these fraudsters. YOU know him, I understand the pressure you are under. Your very public mischaracterizations of him and his crime, for which he had already dearly paid , have caused much serious damage. A solution needs to be found.
