Hi [REDACTED]

It's Amanda. Please be assured that our request for a story is NOTHING about Charles at all. We don't care about Charles and have no interest in him.

Our interest is in Jeffrey Epstein and his association with Prince Andrew.

I work as a journalist at News of the World in London and this is a genuine request to speak to you about Jeffrey Epstein. We recently exposed him and his friendship with Prince Andrew.

If you have an email address I can have, I will send you the recent articles we did. You can see that Maz wrote these stories.

You can google News of the World and see we are a huge organisation.

I have sent you this message from my personal account so that you can see I am genuine.

We pay big money for stories and this is a genuine financial business offer to you.

Please rest assured that we are not interested in Charles, know nothing about his "girlfriends" or anything like that.

Maz wants to talk to you about Jeffrey Epstein and Prince Andrew..

We have pictures of you with Jeffrey Epstein and Maz can show you these pictures.

We are willing to pay you thousands for your story.

If you are intersted in knowing exactly how much money then please call Maz on [REDACTED]

Please be reassured that all we want to do is discuss this with you - confidentially - as i said, Maz is in New York now and ready to meet.

I appreciate your time and please hear us out.

Thank you.

Amanda

Any worries, you can speak to me on [REDACTED]
