mike, we , you, cannot depend on her doing as we would wish.. We need an alternative, .. AS i said yesterday,, as of today, still have no strategy except legal letters, to take more of the same,, do we have the lawyers point out the more glaring errors. do we have the lawyers point out, offering money for stories. ????? Fergie and Hope is not sufficient. you have been doing this a long time,

Agree, quite frankly whatever her excuse she needs to say she was mistaken, she apologizes, feels terrible. Jeffrey is not a pedophile. The you woman who was the source of the conviction for solicitation of prostitutions for someone under 18 was 17-3/4 and she is very sorry. We need all those components. She created this problem. She needs to fix It and as I know everyone knows time is of the essence here.

I think that Fergie can now say , I am not a pedo.. She was DUPED into believeing false stories, by Civil Plaintiffs Attorneys from Florida. They represented themselves as law enforcement (fisten), and she was told horrible things and she reacted . She now knows that what she was told was based on false hoods , and fabrications designed to enhance their civill suit. She should out the newspaperes on the offering of money for stories. paul -- [REDACTED] (rod christie miller)
