Things are going OK down (up?) here. John came home for Spring Break and had knee surgery.

[REDACTED]  
[REDACTED] His girlfriend is coming down from Alabama to see him (and the beach) tomorrow, so he'll have someone to take his mind off it. We'll see how resourcefull he is since he can't get traction in an upright position.

I'd like to ask for a favor. If Larry and your helicopter are in town, could [REDACTED] take his girlfriend for a ride over Palm Beach? She comes tomorrow and flies out on Thursday.

Hope all settles down for you & the royal family.

Steve
