Jeffrey,
Have you thought about Paul's offer of 1.725M on Bell 407? gut tells me Paul would go 1.750M since I indicated to him, we never take our first offer,. Personally speaking, Paul has done a lot for us in the past, and is a good guy,.

Should I offer the Bell to Dennis Martian for 1.8M to see if he bites on that? just would like to get the most money for you, "if" we sell. According to Dennis, since we just completed the annual, there would be minimal pre-buy exposure, they have indicated only completing a records review of our completed annual inspection and a power assurance check of the engine, which I just completed: it was a +30 engine which is very strong,.

your thoughts?
thank you,
Larry
