fergei called ghislaine,, to offer an apology,, said that she thought she was being helpful , by distancing herself. my version would be something of -- Jeffrey was a friend of the family for a decade or more. He has always been there for me. I was duped into believing stories that were offered up by fake fbi agents. Mike Fisten, and civil attorneys from Florida bradly edwards , in a financial dispute with Epstein. His philanthropy has been both large and mostly anonymous , I am ashamed that I have been taken in by unethical lawyeres acting in their own interests.. or something like that.
