good to go,, and I think we should also consider the following, have an off the record conversation with the tabloid reporter or alexandra wolfe, explaining that the man bites dog story, is that Scott Rothstein is currently serving a 50 year sentence in prison for selling fake epstein sexual cases. His partners Brad Edwards and his investigator Michael Fisten , have distributed a telephone book that was stolen from Epsteins house. It was never - on line, never.. they are disseminating stolen information. Mike Fisten was dismissed from the police force and has represented himself as an FBI agent. [REDACTED] like many of SCott Rothsteins victims was taken in by their scheme designed to get money. william Scherer has filed a 1200 page complaint against the former BRad Edwards firm of RRA. it is the biggest financail fraud in floridas history and now the tabloids have also been duped. Pages 12-13, paragraphs 40 and 41 contain the allegations relating to the use of Epstein cases in the Rothstein Ponzi scheme.

I would do something like this – though not sure her lawyers will let her pin it on Fisten and Edwards, though we will see.

I regret to say that the information I received about Jeffrey Epstein was incorrect. Although he was convicted of soliciting a person under 18 for prostitution for an action more than five years ago, he is not a pedophile by any definition of that word. Despite being a friend of the family for more than a decade, I am embarrassed to admit I believed stories in the media about Jeffrey that were proffered by Michael Fisten, who claimed to have been an FBI agent and in

fact was not, and Brad Edwards, a partner of a civil attorney whose partner had previously filed lawsuits against Jeffrey and is now serving a 50 year sentence in prison. Mr. Epstein has always been a kind and generous person to those around him and to those in need. I am truly sorry for my mischaracterization of him and any hurt that it may have caused.

fergei called ghislaine,, to offer an apology,, said that she thought she was being helpful , by distancing herself. my version would be something of -- Jeffrey was a friend of the family for a decade or more. He has always been there for me. I was duped into believing stories that were offered up by fake fbi agents. Mike Fisten, and civil attorneys from Florida bradly edwards , in a financial dispute with Epstein. His philanthropy has been both large and mostly anonymous , I am ashamed that I have been taken in by unethical lawyeres acting in their own interests.. or something like that.
