Good morning from sunny new york..

I need your help(big surprise) I know every year you have been donating money to ocrf this year since I am no longer involved with them, me dr Dottino, and several ex-members of ocrf are forming our own 501c3 with the focus being on gyn cancers.(all)

The ex ceo of ocrf will be the ceo of the new foundation. I need to raise 100k asap as start up money so we can begin. We are doing a big photography show in the Hamptons this summer being curate by my friend joe mckenna who is one of the 5 most important people in fashion today. He is getting the best from the best photographers in the world. Hoping to raise 400k from that show. But in the mean time I need to get started. I am reaching out to you, that this year instead of giving to ocrf if you would give it to the new foundation. We are registering a name now...I didn't want to talk about this over the weekend with corrina there. Really if you need help with nyu school of dentistry I actually know the dentist the school is named after...and then on to a surrogate. If you are going to go at this alone we should talk....

All exciting...

xoxo
