Subject: Thank you for supporting Caitlin!

March 6, 2012

Dear Jeffrey,

Thank you so much for your incredibly generous donation of \$10,000 to Caitlin's team for the Crohn's and Colitis Foundation of America "Take Steps, Be Heard Walk." Your donation means so much to us as the CCFA is a major force for Crohn's research and advocacy.

In addition to funding research into the epidemiology and treatment of Crohn's and Colitis, the CCFA was key to the recent success of a U.S. Senate resolution officially designating the first week of December as "Crohn's and Colitis Awareness Week." This is one more important step in the effort to marshal resources to conquer these diseases.

When Caitlin and her team walk across the Brooklyn Bridge on May 17 she will carry in her heart your good wishes and kind support. We are so grateful that Caitlin knows she is not alone in this fight.

With Deep Gratitude and Heartfelt Thanks,

Woody and Kathy
