Ok. It's been a week now that you talk to me about my hypothetical bad moods. I got it. I only want to be nice to these girls, and to you. I've been saying that for 6 months now and my interactions with Shelley, Dana, Sue, Jenna etc support it. That's the case even without flying. So can we stop? I got it, no bad moods. I am very happy and only want you to be happy too. If these girls contribute to that than great! I'd only like you to act friendly, not cold. I do not question your motivations. I can stay in a hotel if it's too weird for you otherwise at the moment.
