see attachment for photos of interior on this Toy store GIV,. note the headliner is same as our GIV undercontract, except for the wood ledge on upper surface of upwash lighting, does clean up headliner appearance,.
specs seam ok, except for the 7500 hour total time, it has wifi and Sat weather which is nice and cockpit flight bag charts and weather,.
floor plan is similar to our GII with aft gally and rear divan, only no fwd club seating, see photos, same wood as GIV in longbeach,. and wide drink ledges,.
thx

This one was offered to me yesterday in the high 5's.

Low time, good engine status, recent 72 month inspection and high speed
Wi-Fi.

It needs an interior which JE would want to personalize anyway.

It comes off lease at the end of April, although we can see it and

secure it immediately.
