Cami Clark, John Brockman introduced us last year at Ted. We have the free luxury porn company.
Does that ring a bell?

Hello Jeffrey!

Hope all is well with you.

You popped to mind the other day when I was meeting with Jennifer Zuccarini, who started Kiki de Montparnasse, and just left Victoria's Secret. She is raising a round of funding for a new lingerie and ready to wear line that she is launching. Aside from her aesthetic and execution being spot on, I was intrigued by her e-commerce model. If you're interested, I would be happy to introduce you.

Michelle and I just moved back to NY. I recall you saying that you spent part of your time here. We'd love to catch up with you over lunch.
