Jeffrey, Steve came in to see me today... He was pissed and sat down with me to emphasize just how P.O.'d. He explained how wrong it was, that it was not right in the real world - working world where I had just come back in to the company. I felt this the whole trip with the girls where nothing seemed right and it did not feel like a vacation/meeting of friends. It was more stress and I was actually resentful toward Alex & Jenny the whole trip, but know the fault is mine. I am upset I disappointed you and let you down. Steve was seriously angry and ripped me a new one in the middle of the dining room. He had every right to.
