I am having a lot of difficulty with the former President Nasheed who resigned and now wants to return to power immediately. He will be in New York later this month and he will be calling himself the deposed leader of Maldives. he has a documentary called the Island President which is being shown in New York.

Kindly check with Sultan if you can for a first hand brief on the situation. It may be necessary for me to write something in New York Times around the end of the month. Do you know how I can get that done.

We are in the process of identifying a PR firm to help us with international media.

Really appreciate you writing to me.
Best regards,
Waheed
