Subject: thank you

Jeffrey,

Thank you so very much for your incredibly generous contribution this year (again!) to Caitlin's Crohn's and Colitis event. She is so thrilled to have you help with this---and certainly your contribution catapults her to the "lead" in participants' fund-raising efforts.

She is getting more involved in CCFA, which has been great for her---she has given two short speeches thus far as this year's Honored Hero, another great step.

We hope to see you soon.

Trust all is very well.

Best,

Woody
