Hello Jeffrey,

I wanted to forward you Raissa's email.

Thank you very much for talking to her last time! She really is a hard worker and I told you about her because she is one of the few people I trust and I believe is a smart person.

Thank you very much Jeffrey!

Hello Nina,

Thank you so much for talking to Jeffrey about my job search. I am interested in:

- joining a venture capital fund that invests in early-stage consumer internet and mobile companies, or
- joining a well-funded tech company (e.g dropbox, airbnb, square, google) in a business development or strategy capacity

As you can see, I have a soft spot for the tech space but, I'm also keen on opportunities in private equity or other alternative investment areas. Most importantly, I want to move back to NYC and continue to grow intellectually.

Cheers,

RN
