Jeffrey,.
Given the response's that Darren has recieved in the past with demo flight requests to seller attorney, do I have your approval to contact Ken and ask for approval for me to ride on GIV to prebuy? Ken has supported me in the early part of this transaction with CMP access and videos, he would understand this request is normal, and does not raise and flags we are looking to abort this deal,.
thx,
do I have your approval to contact Ken ?

Jeffrey,.

please confirm start date of GIV prebuy FEB, 28th ?

Do you think it would be appropriate for me to arrive in Reno Feb 26th and fly on the GIV to Long Beach for prebuy if seller is willing? not as crew member but as observer,
I imagine the GIV would depart on Feb 27th in the morning to be in position for prebuy start on the 28th,. I could meet you during your viewing on Feb 28th?
-I could evaluate cabin noise and observe aircraft functions.

thank you,
Larry
