Very good, I'll relay to Darren,
I agree that Ken the broker would best understand this request, and could get approval.
Thx
Larry

Jeffrey,
Would you prefer Darren to contact Ken the Broker or the Dave the Attorney with request to have the GIV pick you up in Sante fe on the 27th?
also, should Darren offer to pay for the fuel on the leg from Sante fe to Long beach?
Reno - Long beach is 1+00 seller pays according to LOI I believe, (Darren correct me if I'm wrong).
Reno - Sante Fe is 1+40
Sante Fe - Long Beach 1+40
its roughly 2 hour and 20min extra flying for the GIV ,,I'd estimate \$7,020.00 in fuel cost for the 2+20min flight for the GIV,. it burns roughly 450 gallons per hour, and I used \$6.50 per gallon for jetfuel, estimate,.

thx,
:Larry
