I'm meeting with percy Clouden from EDC on Friday to go over the amendment and hopefully get his sign off at the meeting. I'll know by the time I meet you.
and darren said to tell you that the property you are scheduled to see on Friday is technically in smith bay - although the entire property is fenced and has cameras and guards. I don't think they have ever had a security issue.

Let me know if that changes your thoughts on seeing it.
