I received this text for you from Mark Tramo:
JE - from Grammys in LA last night -Beatles live on -YouTube.com search
"McCartney Grammys 2012 golden slumbers". Voice not quite like record Abbey Road
of 1969 but never done live til recent tour. Hard to pull off w orchestration +
hard rock mixed medley. Instead of George and John trading riffs on guitar it's
Paul, Bruce Springsteen, othersxxx
