helloooooo ;)))) good morning my dear Jeffrey,

whats going on with Leon? he is coming? he is not coming, i saw him last time in december and received his little help at the beggining of January. its march soon, i really need a money to develop company (thats what he wanted me to do) .he wants to see me? it could be better every month, then to wait 2-3 month without money.

i want to quit Elite, its waste of time and take care totally my company or maybe model agency and scouting for you
what do you think?

Best regards,
