I was actually reading the Story of O through the whole afternoon yesterday. Changing to Lolita sometimes. It's hard for me to enjoy reading a book because I am constantly analyzing everything in it. Thank you for the recommendations.

Let me know what you would like to get.

Best was having the butt plug while fucking. That was really really good.

I played sex slave with the Sasha Grey guy. It was a lot like in porn. First time I got properly fucked, also in the ass.
