Sometimes its so good,that when I feel so broken, when I cant see anything, when I find all my strength to stand up and go one more time again, I just wheep those tears, think of you and smile. probably it doesnt mean anything for you, but I dont know why you always come to my eyes smiling, in white T shirt, sitting and reading something in glasses. and you know what does it give to me? when i think of it, I find the ONLY reason to live and go ahead, I want to be such a person for someone else in my life. you are my muse.
sorry that dont write you as much as I think of you
but Im sure you hear the every word that I never say.
take care, and happy upcoming new year.
